What is Easter *Really* About?

Easter isn't just about eggs, candy, and springtime traditions.

It's about the greatest news the world has ever heard:

Jesus Christ came to save sinners.

The Bible tells us that all have sinned and fallen short of God's glory. Because of our sin, we deserve judgment. But God loved us so much that He sent His Son, Jesus Christ, to die on the cross for our sins.

Three days later, Jesus rose from the grave — proving that sin and death were defeated.

Because of His resurrection, forgiveness and eternal life are available to anyone who will repent and believe the Gospel.
